NOTES:

- 1) Miscellaneous items, directed work, connections, etc., not specifically listed but required to complete the proposed improvements to a complete and operational system shall be included in the Bid under the most appropriate Bid Item.
- 2) Time required to complete base bid work shall be 60 calendar days.
- 3) Contractor is solely responsible for the complete abandonment of all existing mains unless otherwise noted.
- 4.) Due to global raw material shortage in the coatings industry, it is in the best interest of the owner, engineer, and the job to purchase all coatings needed in one order. This will allow the project to continue and not slow due to unforeseen shortages.
