

ADDENDUM NO. 1

TO: ALL PLAN HOLDERS

RE: CAST IRON WATER MAIN REPLACEMENT – CITY OF MAGNOLIA

ADDENDUM DATE: January 4, 2022

BID DATE: January 11th, 2022 – 2 P.M.

The Plans, Specifications and Contract Documents for the above referenced project are hereby modified as follows:

1. Contract Documents:

Please include the attached Contractor's Act of Assurance and the DBE/MBE/WBE Compliance Form as mentioned in the Information for Bidders.

ADDENDUM NO. 1 ISSUED BY:

A.L. FRANKS ENGINEERING

Robin Rice, P.E.
Project Manager

CONTRACTOR'S ACT OF ASSURANCE FORM

As the authorized agent of the individual, incorporation, or corporation (hereinafter referred to as the Contractor) bidding on or participating in a Revolving Loan Fund (RLF) financed project, I certify that I have read and understand the requirements of the RLF Supplemental General Conditions, and that the principles, agents and employees of the Contractor will comply with these requirements, including all relevant statutes and regulations issued pursuant thereto. As the authorized agent of the Contractor, I further certify that:

DBE/MBE/WBE During the bid process, and throughout the performance of the Contract, whenever subcontracts are to be awarded, I will take the six affirmative steps described in the RLF Supplemental General Conditions to use Disadvantaged, Minority and Women's Business (DBE/MBE/WBE) firms wherever possible. I will document to the borrower and the Arkansas Natural Resources Commission all efforts to secure DBE/MBE/WBE participation, including follow-up efforts, and will report to the Owner the dollar value of all DBE/MBE/WBE contracts and subcontracts awarded.

AMERICAN IRON AND STEEL I will comply with the statutory requirements commonly known as "American Iron and Steel;" that requires all of the iron and steel products used in the project to be produced in the United States pursuant to this contract and the RLF Supplemental General Conditions. I understand that all of the iron and steel products used in the project will be and/or have been produced in the United States in a manner that complies with the American Iron and Steel Requirement, unless a waiver of the requirement is approved, and I will provide any further verified information, certification or assurance of compliance with this paragraph, or information necessary to support a waiver of the American Iron and Steel Requirement as detailed in the RLF Supplemental General Conditions.

EQUAL OPPORTUNITY I will comply with all requirements of 41 CFR Chapter 60 and Executive Orders 11246 and 11375, including inclusion of all required equal opportunity clauses in each subcontract awarded in excess of \$10,000, and will furnish a similar statement from each proposed subcontractor, when appropriate. I will also comply with all Equal Employment Opportunity requirements as defined by Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; and Section 13 of the Federal Water Pollution Control Act Amendments of 1972 regarding sex discrimination.

NONSEGREGATED FACILITIES The Contractor that I represent does not and will not maintain any facilities provided for its employees in a segregated manner, or permit its employees to perform their services at any location under the Contractor's control where segregated facilities are maintained. I will also obtain a similar certification from each subcontractor prior to the award of any subcontract exceeding \$10,000 to said subcontractor, which is not exempt from the equal opportunity clause.

LABOR STANDARDS I will comply with the Labor Standards Provisions contained in Davis-Bacon wage rates specific to this contract and the RLF Supplemental General Conditions. I understand that the aggregate wage rates paid to any employees must equal or exceed the sum total of the base rate plus any listed fringe rate. I will furnish weekly payrolls and certifications as may be required by the Owner to affirm compliance. I will also require that weekly payrolls be submitted to the Owner for all Subcontracts.

OSHA REQUIREMENTS I will comply with the Department of Labor Occupational Safety and Health Administration (OSHA) Regulations promulgated under Section 107 of the Contract Work Hours and Safety Standard Act (40 U.S.C. 327-333) in performance of the contract.

PROCUREMENT PROHIBITIONS In compliance with Executive Order 11738, Section 306 of the Clean Air Act and Section 508 of the Clean Water Act, I certify that I will not procure goods and services from persons who have been convicted of violations of either law, if the facility that gave rise to said violations produces said goods or services.

PRESERVATION OF OPEN COMPETITION In accordance with Executive Order 13202 and its amendments, I certify that I have not discriminated against my employees or any subcontractor based upon labor affiliation or lack thereof.

RESPONSIBILITIES OF PARTICIPANTS REGARDING TRANSACTIONS (A.K.A. DEBARMENT AND SUSPENSION) I certify that I shall fully comply with Subpart C of 40 CFR Part 32, entitled "Responsibilities of Participants Regarding Transactions." I am responsible for ensuring that any lower tier covered transaction, as described in Subpart B of 40 CFR Part 32, entitled "Covered Transactions," includes a term or condition requiring compliance with Subpart C. I am responsible for further requiring the inclusion of a similar term or condition in any subsequent lower tier covered transactions. I acknowledge that failing to disclose the information required under 40 CFR 32.335 may result in the delay or negation of this assistance agreement, or pursuance of legal remedies, including suspension and debarment. I further acknowledge that I may access the Excluded Parties List System at <http://www.epls.gov>. This term and condition supersede EPA Form 5700-49, "Certification Regarding Debarment, Suspension, and Other Responsibility Matters."

PROHIBITION ON CERTAIN TELECOMMUNICATION AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT I will comply with regulations at 2 CFR 200.216, designated as the “Prohibition on certain telecommunication and video surveillance services or equipment”, implementing section 889 of Public Law 115-232 and repeated in the RLF Supplemental General Conditions. The regulation prohibits the use of federal funds to procure, enter into, extend, or renew contracts, or obtain equipment, systems, or services that use “covered telecommunications equipment or services” identified in the regulation as a substantial or essential component of any system, or as critical technology as part of any system. I understand that all products used in this contract will meet this requirement and that I will provide further verified information, certification or assurance of compliance with this paragraph, or information necessary to this prohibition as detailed in the RLF Supplemental General Conditions.

I understand that a false statement on this certification regarding any of the above certifications may subject the Contractor or Subcontractor to civil or criminal prosecution. I further certify that I will obtain a similar certification for each subcontract awarded.

PRINTED NAME: _____

TITLE: _____

**DBE/MBE/WBE COMPLIANCE EVALUATION FORM
SUPPLEMENTAL CONDITIONS OF THE REVOLVING LOAN FUND
(Bid Package Documentation)**

Bidders are to complete this form and submit within fifteen days after the bid opening. A condition for remaining in competition for award is the satisfactory completion of this form. The undersigned submits the following data with respect to the firm's efforts to meet the Arkansas Natural Resources Commission's goal for DBE/MBE/WBE participation. If you have any questions, please contact the Owner/Borrower/Owner's consultant engineer.

Prime Contractors that are DBE firms are not exempt from conducting the "good faith efforts" as described in 40 CFR Part 33, Subpart C- Good Faith Efforts.

Subcontracting is to be defined as subcontracts for construction, supplies, equipment and services. It is very infrequent that a Prime Contractor can do the job without hiring for construction, equipment, supplies, and services. If Prime Contractor does not sub-contract/procure for any of the categories mentioned above, the Prime Contractor must indicate that on this form.

1. Name of Project: _____ Project No: _____

2. Name of General Contractor: _____

3. DBE/MBE/WBE Firm: _____

(Name) (Complete a separate form for each
DBE/MBE/WBE to be used as a subcontractor)

(Address)

(City, State, Zip Code)

(Phone Number)

(Fax Number)

4. Describe Work to be performed by the DBE/MBE/WBE, provide dollar amount of the subcontract.

DOCUMENTATION OF AFFIRMATIVE STEPS TAKEN TO OBTAIN DBE/MBE/WBE PARTICIPATION

5. Documentation that DBE/MBE/WBE quotes were solicited through direct communication and documentation of responses received (Direct communication includes: faxes, phone calls, letters, e-mails). Newspaper ads/public notice ads alone will not be considered sufficient to meet the good faith effort requirements. The omission of a newspaper advertisement/public notice is not grounds for the bid to be rejected as well.
-
-

6. What sources were used to identify potential DBE/MBE/WBE firms. (Arkansas Highway and Transportation Department; Arkansas Economic Development Commission's Minority Business Development Division; U.S. Small Business Administration; other sources, please specify and provide documentation). The Commission recommends using the sources above.
-
-

7. Describe steps taken to divide work items into small tasks in an effort to maximize DBE/MBE/WBE participation.
-
-

8. List reasons for rejecting a DBE/MBE/WBE that indicated a desire to participate and/or submitted bids.
-
-

The undersigned hereby certified, having provided responses or documentation to the questions in the foregoing affirmative steps taken to obtain DBE/MBE/WBE participation, that they are true and correct to the best of her/her knowledge, information and belief.

Name of General Contractor: _____
