Method to Determine Lowest Bid.

The lowest bid shall be the lowest bid price on the base with the additive alternate included. If the available funds are exceeded the base bid alone will be utilized to award the contract depending upon available funds. The City reserves the right to reject any and all bids.

NOTES: Miscellaneous items, directed work, connections, etc., not specifically listed but required to complete the proposed sewer main line work to a complete and operational system shall be included in the Bid under the most appropriate Bid Item.

- Contractor is to verify all pipe sizes and flow line elevations prior to ordering manholes.
- Contractor is responsible for repairing all fences and private properties crossed during construction.
